Track 1 - Bling-Blang

You get a hammer and I'll get a nail
You catch a bird and I'll catch a snail
You bring a board
And I'll bring a saw
And we'll build a house
For the baby-o

Chorus:
Bling-blang
Hammer with my hammer
Zing-o zang-o
Cutting with my saw

I'll grab some mud and you
Grab some clay
So when it rains it won't wash away
We'll build a house
That'll be so strong
The winds will sing my baby a song

(Chorus)

Run bring rocks and I'll bring bricks
A nice pretty house
We'll build and fix
We'll jump inside when
The cold wind blows
And kiss our pretty little baby-o

(Chorus)

You bring a ladder and I'll get a box
Build our house out of
Bricks and blocks
When the snowbirds flies
and the honeybee comes
We'll feed our baby on
Honey in the comb

(Chorus)

Track 2 - Banana Phone

Ring ring ring... ring bananaphone
Ring ring ring... ring bananaphone
I've got this feeling, so appealing
For us to get together and sing, sing!

Ring ring ring... ring bananaphone
Ding dong ding... ding donanaphone
It grows in bunches, I've got my hunches
It's the best, beats the rest:
Cellular, modular, interactive-odular

Ring ring ring... ring bananaphone
Ping pong ping... ping punanaphone
It's no baloney, it ain't a phony,
My cellular, bananular phone

Don't need quarters, don't need dimes,
To call a friend of mine
Don't need computers or TV
To have a real good time
I'll call for pizza, I'll call my cat

I'll call the White House, have a chat
I'll place a call around the world,
Operator get me Beijing jing jing

Ring ring ring... ring bananaphone
Yin yang yin... yin yananaphone
It's a real live mama and papa-phone
A brother and a sister and a dog-a-phone
A grandpa-phone and a grandma-phone too,
My cellular, bananular phone

Bananaphone, ring ring ring

Track 3 - Man Gave Names to All the Animals

Man gave names to all the animals
In the beginning, in the beginning.
Man gave names to all the animals
In the beginning, long time ago.

Saw an animal up on a hill
Chewing up so much grass until it was filled.
Saw milk comin' out but he didn't know how.
"Ah, I think I'll call him a cow."

(Chorus)

Saw an animal leave a muddy trail,
Real dirty face and a curly tail.
He wasn't too small and he wasn't too big.
"Ah, think I'll call him a pig."

(Chorus)

Next animal that he did meet
Had wool on his back and hooves on his feet,
Eating grass on a mountainside so steep.
"Ah, I think I'll call him a sheep."

Saw an animal as smooth as glass
Slithering his way on through the grass.
Saw him disappear
by a tree near a lake.
"Ah, I think I'll call him a snake."

(Chorus)

In the beginning, in the beginning,
in the beginning.
Man gave names to all the animals
In the beginning, long time ago.

In the beginning, in the beginning,
in the beginning.

In the beginning, long time ago.

People all over, join hands
People all over, join hands
Join the love train

The next stop that we make
Will be England
So tell all the folks in Russia
And China too
Don't you know that it's time
To get on board
And let this train keep on ridin'
Ridin' on through

Chorus:
People all over the world
Join hands
Join the love train
People all over the world
Join hands
Join the love train
People
Join hands
Join the love train
People all over the world
Get together on the love train

All of you brothers
Over in Africa
Tell all the folks in Egypt
And Israel too
Please don't miss this train
At the station
Cause if you miss it, I'll feel sorry
Sorry for you

(Chorus)

Let it ride, let it ride, let it ride

Track 6 - Don't You Push Me Down

You can play with me
And you can hold my hand
We can skip together
Down to the pretzel man
You can wear my Mommy's shoes
Wear my daddy's hat
You can even laugh at me
But don't you push me down

Chorus:
Don't you push me push me push me
Don't you push me down,
Don't you push me push me push me
Don't you push me down.

You can play with me.
We can play all day.
You can use my dishes
If you'll put them away
You can feed me apples
And oranges and plums.
You can even wash my face,
But don't you push me down

(Chorus)

You can play with me
We can build a house,
You can take my ball
And bounce it up and down
You can take my skates
And ride them all around.
You can get mad at me,
But don't you push me down.

(Chorus)

Track 7 - Red, Red Robin

When the red, red robin
Comes bob, bob bobbin'
Along, along

There'll be no more sobbin'
When he starts throbbin'
His own sweet song

Wake up, wake up, you sleepyhead
Get up, get up, get out of bed
Cheer up, cheer up, the sun is red
Live, love, laugh, and be happy

What am I to do now while I'm walking
Through fields of flowers?
Rain may glisten but still I listen
For hours and hours

I'm just a kid again
Doin' what I did again singin' a song
When the red, red robin
Comes bob, bob, bobbin' along.

When the red, red robin
Comes bob, bob bobbin'
Along, along

There'll be no more sobbin'
When he starts throbbin'
His own sweet song

Wake up, wake up, you sleepyhead
Get up, get up, get up, get out of bed
Cheer up, cheer up, the sun is red
Live, love, laugh, and be happy

What am I to do when I'm walking
Through fields of flowers?
Rain may glisten but still I listen
For hours and hours

I'm just a kid again
Doin' what I did again

Singin' this song
When the red, red robin
Comes bob, bob, bobbin',
The red, red robin
Comes bob, boppity, bobbin' ,
The red, red robin
Comes bob, bob, bobbin' along.

Track 8 - Bushel and a Peck

Verse 1:

I love you, a bushel and a peck!
Bushel and a peck, and a hug around the neck!
Hug around the neck, and a barrel and a heap
Barrel and a heap, and I'm talkin' in my sleep.

About you.
About you!

Hardly sleepin'!
I'm having trouble sleepin'!

I love you, a bushel and a peck
Bet your pretty neck I do!

Doodle, oodle, oodoo.
Doodle, oodle, oodoo.
Doodle oodle, oodoo doo.

Verse 2:

I love you, a bushel and a peck
Bushel and a peck, and it beats me all to heck!
Beats me all to heck how I'll never tend the farm
Never tend the farm when I want to keep my arms

Around you
Around you!

The cows and chickens are goin' to the dickens!

I love you a bushel and a peck
You bet your pretty neck I do

Doodle oodle oodoo
Doodle oodle oodoo
Doodle oodle oodoo, doo.

(Repeat Verse 1)

Music for Aardvarks & Other Mammals Track 9 - Bellybutton Song

Now here's a little ditty
That I done wrote.
It's not about my fingers
It's not about my toes
It's called that bellybutton song
Now won't you kindly along?

It's my itty bitty kinda gritty
Awful cute and even pretty
Right there on my tummy
And I don't know why I love em so
I just think they're funny

Now some go in and some pop out
I don't know what that's about
Either way you can't go wrong
Now sing that bellybutton song

It's my itty bitty kinda gritty
Awful cute and even pretty
Right there on my tummy
And I don't know why I love em so
I just think they're funny

Sometimes there's some lint in there
One time I found a penny in there
Can't buy much with a penny anymore

It's my itty bitty kinda gritty
Awful cute and even pretty
Right there on my tummy
And I don't know why I love em so
I just think they're funny

It's my itty bitty kinda gritty
Awful cute and even pretty
Right there on my tummy
And I don't know why I love em so
I just think they're funny

Ha ha ha!

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you

The other night dear when I lay sleeping
I dreamt I held you in my arms
When I awoke dear I was mistaken
So I hung my head and cried

If you've got troubles
And you need a helpin' hand,
If you've got troubles
And you need a helpin' hand,
If you've got troubles
And you need a helpin' hand,
Come to me,
I will be your friend.

And you need a helpin' hand,
Come to me,
I will be your friend.

And you've got no place to stay,
If you are hungry
And you've got no place to stay,

And you've got no place to stay,

And you've got nobody to love (have mercy!),
If you are lonely
And you've got no one to love,
If you are lonely
